CORE COMPETENCIES

- **Contract security officers:** armed and unarmed, fixed post and mobile patrol
- **Embassy local guard forces:** directly staffed and supervised to a federal client's standard
- **Corporate and uniformed security:** access control, lobby and campus operations
- **Executive protection:** individual and family details, travel and event coverage
- **Protective intelligence:** threat monitoring and pre-travel assessment
- **Investigations:** background inquiry, due diligence and internal matters
- **Security officer training:** delivered in house under a licensed Florida school
- **Emergency and disaster response:** listed in the SAM.gov disaster response registry

DIFFERENTIATORS

- **Three U.S. embassy local guard forces:** Belmopan, Quito and Paramaribo, all staffed and managed by Security Alliance rather than subcontracted
- **Nine offices across four countries,** every one directly managed, with a resident manager named publicly for each overseas operation
- **Licensed Security Officer School** (Florida DS2700029): officer training is an in-house capability, not a vendor line item
- **2010 U.S. Department of State Small Business Prime Contractor of the Year**
- **Prime contractor experience** with a federal client operating outside the United States
- **Bilingual and multilingual operations:** English, Spanish and Dutch across the footprint
- **1,025+ security professionals;** 150+ years of combined leadership experience

PAST PERFORMANCE

U.S. Embassy Belmopan, Belize

Local guard force, taken over as an emergency procurement and continuous since 2009. Our first operation outside the United States.

U.S. Embassy Quito, Ecuador

Local guard force, alongside commercial clients with sites across the country.

U.S. Embassy Paramaribo, Suriname

Local guard force under a resident Director of Operations, including remote interior sites.

U.S. Department of State

Small Business Prime Contractor of the Year, 2010.

Period of performance, staffing levels, contract detail and references are provided on request and with any bid submission. There is no confidentiality restriction on naming these posts.

HOW TO VERIFY EVERYTHING ON THIS PAGE

Search **SAM.gov** for Unique Entity ID **VBZBJQQNKT96** or CAGE **3SBX5** and confirm the registration is active. Search the **Florida Department of Agriculture and Consumer Services** private security license database for the three Florida numbers, and the **Texas Department of Public Safety** register for the Texas numbers. We publish these so you can check them without asking us, and we would suggest running the same checks on every provider you are considering.
